South Branch Ranch Horses Continue Honors

South Branch Appaloosa horses continue to reap honors with their stallion Sunny Boy's Red Dog and Quansette a two year old mare. At the Class "A" Port Huron, show Sunny took a 1st in his class as two year old stallion and was Reserve Grand Champion. From there he was taken to Hamburg, New York to show at the world's largest county fair. At this show he not only placed 1st in his class but was awarded the highest honor given that of Grand Champion of the entire show.

Quansette, the Appaloosa mare, won a 1st in the two year old mare class and was Reserve Grand Champion mare at the show in Port Huron. She also placed in a Pleasure Class, the first time she has been shown under saddle. At the New York show she placed second in the two year old mare class.

In Lansing at the Saddle Master show this past weekend Sunny won a 1st place in the two year old stallion class and went on to take a Grand Champion trophy, he also placed 1st in the Registered Stallion-Halter Class where he was shown with some of the finest blood lines in the horse world to all registered stallions.

Quansette, who leads the race for high profit mare by 90 points as of the standings this weekend placed 1st in the two year old mare class and also won Grand Champion Mare of the Lansing show. Both Sunny and Quansette will be taken to Detroit next Thursday where they will compete in their classes on Friday and Saturday. They have been shown at only one point approved, class "A" shows throughout the United States and have amassed more points than any other Michigan horses. These horses are owned by Mr. and Mrs. Steve Sias of the South Branch Ranch and are trained and shown by Marty Tarnish, manager and trainer for the ranch.

BREAK GROUND FOR ALL FAITHS CHAPEL

Another milestone has been marked in the long hard effort to provide the patients at the Traverse City State Hospital with a sanctuary where all faiths may worship. John Parsons, president of the Board of Directors of the All Faiths Chapel Fund, Inc., said last Thursday at the opening of the ground breaking ceremony for the Chapel.

"We will mark the next milestone when we undertake the construction of the Chapel," Mr. Parsons continued, "and can look forward to next May 1st, the date for the grand finale and the dedication of the Chapel. It will furnish accommodations for worship, religious assistance and a suitable place for the State Hospital chaplains to do their work of ministering to the patients, the employees and their families and all who come to them."

Some five hundreds of people—state and local officials, members of the Chapel Board, volunteers and contributors to the Chapel Fund, Hospital staff members and patients—gathered at the site of the new Chapel to watch the ground breaking ceremony and to hear Governor George Romney praise the many who have given so much time and so much money toward the cost of constructing the All Faiths Chapel at the State Hospital.

New Frederic Church Dedicated Sunday

The dedication of the newly erected Frederic Church of God took place at 2:30 Sunday afternoon, August 30th. The church is located at 7642 West 612 in Frederic.

A fine service of special music and a dedicatory address by former pastor William B. Wilder was enjoyed by all.

Visitors attending were from Milwaukee, Merrill, Mt. Morris, Saginaw, Tawas, Charlevoix, East Lansing, Kalkaska and Grayling.

Michigan Con Reduces Rates

Michigan Consolidated Gas Company on Tuesday, Sept. 1 reduced its rates by \$1.725,000 a year, in conformity with an order of the Michigan Public Service Commission, agreed upon after discussions with the utility.

The rate reduction will apply to September bills, which generally reflect customers' use of gas during the previous 30 days.

The average saving to Detroit area customers who heat their homes with gas will be \$1.63 per year. Customers in outstate Michigan, whose rates for gas used for cooking, water heating and other domestic purposes have been slightly higher than in Detroit, will receive an additional \$1 per year reduction.

Rates for gas used in industrial processing were reduced by about \$170,000 annually. Commercial and industrial heating customers were given a \$394,000 rate cut. The Commission order established a lower rate for large gas users to encourage the establishment and expansion of service type industries.

The rate reductions reflect a cut in the company's Federal income taxes, and reductions in the wholesale cost of gas, resulting from recent Federal taxes on pipeline supplies.

Michigan Consolidated serves 900,000 customers in the Detroit, Ann Arbor, Muskegon, Grand Rapids areas, and in nearly 200 other communities as far north as Petoskey, Grayling and Alpena.

Kiwanis Club Notes

By Wes LaGrew

An interclub meeting featured the weekly meeting of the Kiwanis Club of Grayling held Monday at the Chief Shopping Motor Hotel. Six members of the Grayling club were in attendance and out on the program.

All club members are reminded and urged to be at the chicken barbecue to be held next Sunday at the Grayling Sportsman's Club building. The barbecue on Sunday will take the place of a regular meeting next week. A director's meeting will be held next Sunday afternoon at the barbecue at 4 p. m.

DR. RALPH HOFFMAN'S FATHER PASSES ON

Michael Hoffman, 73, passed away at Grayling Mercy Hospital on Monday, August 31, 1964. He had been dividing his time between here and Bay City the past two years, with his sons and families. Dr. Hoffman was born in the Saginaw Valley February 14, 1891, and spent his lifetime there, as a farmer. He is survived by three sons, Albert of Bay City, Ralph of Grayling, and Arthur of Saginaw, a daughter, Mrs. Richard J. St. Charles, and twenty-two grandchildren. His wife, the former Abbie Burleson, passed away twenty-nine years ago.

Funeral services will be held in Saginaw on Thursday.

Jan E. Thayer, was ticketed on August 15 for reckless driving. He appeared before Justice Williamson on August 25 on the charge and entered a plea of guilty. He was fined \$30 or 30 days in the County Jail. The fine and costs were paid.

Vikings In Two A Day Stint

The Grayling High Viking grid hopefuls under their new head football coach Fraser Dean began two a day practices on Monday of this week. The first workout each day is at 8:30 a. m. with the second following at 1:30 p. m. Saturday of this week will see only one drill and then from there one grid practice will be held once each day after school.

Coach Dean is being assisted by Don Ferguson and Franklin Smith.

Monday found 23 varsity hopefuls on hand and about 30 with an eye to making the jayvee squad. Coach Dean will have about 15 lettermen on which to build with seven of them regular starters last year. In addition, there are five more lads who had some game experience last year but not enough to win a letter.

Monday Dean is switching the Grayling offense this season to the Split-T. With an eye on the opening game at Mio on Friday, September 18th, less than three weeks away, the new coach is driving his charges hard to get ready for their first test. The new offense should give the Vikings more aerial dangle which in turn will open the way for the threat of the quick opening breakaway runs so familiar to watchers of the Split-T offense.

STEAL DEER FROM ANIMAL LAND PEN

A doe deer was stolen from Animal Land Friday sometime after 8 p. m. The Grayling State Police Post was notified of the theft Saturday and made an investigation, which indicated that the deer had been killed inside its enclosure and dragged away from the spot.

Michigan Heads Toward Record Summer Season

LANSING—Michigan is headed for an all-time record summer tourist season, according to preliminary Michigan Tourist Council surveys.

"Every section of the state is reporting substantial increases in business over 1963 and it appears that the overall increase will be from 10 to 15 percent," said William T. McGraw, council director.

Coupled with winter business increases reported earlier and continued record inquiries for tourist information, it appears that 1964 will mark new state records for the industry, McGraw said.

In 1963 some 11 million travelers spent an estimated \$727 million in Michigan.

"We are clearly benefitting from expanded local and regional promotional and advertising efforts as well as fine summer vacation weather," McGraw said.

Michigan Tourist Council inquiries through July were more than 25 percent ahead of the 1963 rate with more than 150,000 inquiries from all sources, McGraw cited record July inquiries, which were nearly 14 percent ahead of the same period in 1963, as an unusual example of how the demand for Michigan tourist information has continued strong well into the summer.

Reports from northern lower Michigan indicate that local and regional chambers of commerce are already processing winter vacation inquiries.

Among the indicators which point to a record summer season are:

Seek Four Minors As Camp Walkways

Crawford County Sheriff's officers, Grayling City Police and Michigan State Police were alerted the first of this week to a search for four walkways, from Camp LaVictoire, Corrections Conservation camp for youths located northeast of Grayling.

Two were reported to have left the camp when their disappearance was discovered at 2:40 a. m. Monday morning. Two others were reported missing as of 2:12 Tuesday morning of this week. No signs of any of the four have been reported as yet.

Services Held Sunday For Mrs. Lottie Craven

Mrs. Lottie Craven, 87, passed away Thursday, August 27, 1964, at Grayling Mercy Hospital. A resident of Frederic for the past 90 years, Mrs. Craven came there from her place of birth, Otter Lake, Michigan, when seven years old. She was born May 28, 1877, to Mr. and Mrs. James Peterson.

Surviving are six sisters, Mrs. James Tobin, Mrs. Clair Melroy and Mrs. Gilbert Cram, all of Frederic; Mrs. Laura Wallace and Mrs. R. J. Brennan, both of Detroit; and Mrs. Belle Nichols, Bay City. Her husband, Charles, two sons and two daughters preceded her in death.

Mrs. Craven was a member of Michelson Memorial church where services were held at half-past two on Sunday, August 30. The Rev. John Smith and the Rev. R. C. Puffer officiated. Music was by Mrs. Arthur Feldhauser, and burial was in Oakwood cemetery at Frederic.

Serving as pallbearers were Max Tobin, Leo Post, Johannes Peterson, Allan Leng, all of Frederic; Raymond Brennan of Detroit and James Cram of Flint.

Here to attend the services were Mr. and Mrs. Douglas Vines, Mr. and Mrs. R. J. Brennan, Mr. and Mrs. Raymond Brennan and family, Mrs. Mabel Quick, Mr. and Mrs. Dick Schardt, Mrs. Laura Wallace, Mr. and Mrs. Douglas Quick and family, all of Detroit; Mr. and Mrs. James Cram, Flint; Mr. and Mrs. William Bolen and the Troop boys of Mt. Morris; Mrs. Belle Nichols and Mr. and Mrs. Frank Westover, all of Bay City; Mr. and Mrs. Clarence Southard, Milan; Mr. and Mrs. Dean Tobin and family, Saginaw; Mrs. Ethel Biley, Petoskey; the Mason family of Royal Oak; Mr. and Mrs. Atherton of Rose City; Mr. and Mrs. Matt Bilyia and Mr. and Mrs. Frank Serven, and the Johannes Petersons, Grayling.

RESURFACING PART OF CEDAR STREET COMPLETED

The sound of pneumatic hammers most of last week was heard while the old paving material laid in 1941 was being removed in preparation for resurfacing Cedar street from Michigan Avenue to Ottawa. The City let the contract to the Central Paving Company for the job. The removal operations was supposed to be done in one day, but the material proved to be much tougher than expected causing much more difficulty in getting it out.

The resurfacing of the south approach to I-75 was also done last week, this being an operation of the State Highway department.

Miss Cathy Stripe is home after spending the summer season at Western Michigan University.

735 Vote In County

CHAMBER TO NAME THREE DIRECTORS

The Crawford County Chamber of Commerce is in the process of electing three members to the board of directors. Ballots were in the mail last week to the members to vote for three directors.

The three names appearing on the mailed ballot are: Mrs. James "Billie" Forbes, Melvin Nielson and Gordon "Sandy" Nielson.

Nielson is now serving on the board, having been named to fill a vacancy. He has stated that he would be interested in serving another three year term. Mrs. Forbes and Thompson are not now serving on the board but both are members of the Chamber.

Ballots are to be returned to the Chamber office by September 5th and an announcement of those elected to fill the three seats on the board will be made at the Chamber's annual dinner which is set for Thursday, September 17th.

Winter Driving Tests To Go To Wisconsin

The National Safety Council in a letter to Grayling City Manager Harold Cliff last week announced that their 1964-65 winter driving tests would be carried out at Stevens Point, Wisconsin.

The tests, which normally take from six weeks to two months, employed about sixty people. They have been carried out at the Grayling MacNamara Air Base at Grayling for two years but last year were moved to Gaylord.

David Anderson, General Motors representative on the National Safety Council, was in Grayling this summer and was conducted over the proposed test site area by "Manager Cliff." He approved the site and other arrangements, but the Council made a decision for Wisconsin.

Following is the letter received by Manager Cliff:

NATIONAL SAFETY COUNCIL
August 19, 1964

Mr. Cliff,
City Manager,
Grayling, Michigan
Dear Mr. Cliff:

The Committee on Winter Driving Hazards of the National Safety Council has accepted the invitation to conduct their 1964-65 winter test program at Stevens Point, Wisconsin. Our decision to test in this area was based on the ideal proportion and ground surface of the test site for the nature of our planned program.

The Committee is certainly indebted to you for your courtesy and assistance extended to our representative, Dave Anderson, and for your offer of a test site in your city.

Very truly yours,
Raymond Prince
Secretary, Committee on Winter Driving Hazards

MITES HELD FOR MRS. ETHEL ELLIOTT

Mrs. Ethel Elliott, 83, passed away at Grayling Mercy Hospital Sunday, August 30, 1964, after an illness of some time. She had been making her home with her daughter and husband, the Harold Barkers at Lake Margrethe, for the past seven years.

Mrs. Elliott was born December 29, 1880, in St. Mary's, Ontario, the daughter of Margaret Muir and Jabez Parsons. She grew up there, moving to Detroit following her marriage to John Elliott who was twenty-one. Fifteen years ago the couple purchased a home in Kalkaska, where they spent about three years. Mr. Elliott died January 15, 1954, and soon after that Mrs. Elliott came to live with her daughter. She was a member of the Methodist church in Detroit and Kalkaska.

A prayer service was held Monday evening at the Sorenson Funeral Home, conducted by the Rev. Charles Allen. The body was taken to Detroit Tuesday and funeral services will be at one o'clock Thursday afternoon at the J. D. Martenson Funeral Home, with burial in Grandlawn Cemetery, Detroit.

Brigade Marks Halfway Point With Review

The Brigade Review Saturday marked the half way point for the Missouri Reservists. It was the climax after a week of tough field training. As the troops marched in review for Colonel E. C. Gruetzemacher, Commanding Officer of the Brigade, Colonel Schrader, President of the Training Evaluation Board, and Lt. Colonel Nuhn, Chief Evaluator, two L-19's (light military aircraft) made two flights past the reviewing stand.

The Annual Training of the 1st Brigade, 1024 Infantry Division of St. Louis and Kansas City, Missouri draws to a close this week. Approximately 30 military vehicles will leave early Thursday morning for Kansas City. Early Friday morning about 100 more vehicles will leave for St. Louis under the command of 1st Lt. Howard M. Gilby. The remainder of the Reservists will leave Saturday by Train, Chartered bus, and private cars.

Training will be intensified during the last week of Annual Field Training. The men will participate in On the Job Training, Tank Gunnery, and Armored Tactics.

County G.O.P. Holds "Operation Coffee Cup"

"Operation Coffee Cup" went into operation last Thursday at Wirt's Lone Pine Inn under the chairmanship of Mrs. Matilda Bishop assisted by her co-chairman Mrs. Helen Lovell.

An enthusiastic group of Republicans met to discuss the issues with speakers, Harry Travis, Republican candidate for State Representative from the 10th District and of Gaylord and Mrs. Rara Hooker of Mount Pleasant and former National Republican Committee woman spoke.

Both speakers stressed the importance of the election, perhaps the most historical in many years to come.

Mrs. Bishop and her co-workers expressed their deep appreciation to Mr. Wirt for affording the group the entire facilities of the Inn for this memorable event.

It is hoped that a series of "Coffee Cup" gatherings may follow this first one in private homes to further insure a more lively interest in active participation in the privilege of voting. As the speakers pointed out every person's vote is necessary and important.

Dr. Larry Frymire To California Post

The Larry Frymire family left Grayling for California on Aug. 20 following a ten-day visit with the Harold MacNevens.

Dr. Frymire has accepted an appointment by Governor Edmund Brown as Coordinator of Educational Television for the State of California. He begins his duties on August 31st. The principal objective of the ETV Coordinator will be to work with the Governor's Advisory Committee in establishing a state-wide network of ETV stations in an attempt to help solve many of the problems facing education in the state.

The Frymires' new address is 104 Moonlit Circle, Sacramento, California.

Bill Herle is in room 832 St. Mary's Hospital, Saginaw.

PONY
TALES

By
JANET W. OLSON

Boredom in young people is
something I find little excuse for.
With so much to learn, work to do
and hours, which only the young
have, to plan for the future we still
have so many who seem to feel
"there is nothing to do". A friend
whom I met through our interest in
ponies has said that every young
person should have a pony to care
for, a trail to walk, a fence to fix
and land to clear. Perhaps your
first reaction is, "What about those
of us who live in a place where a
pony is impossible to keep?" I am
sure there are many of you, but
how about a fence to fix or land
to clear? It needn't even be your own
fence, it needn't be lots of fences
in your block that need mending
and land to clear doesn't have to
mean cutting down trees and clear-
ing brush. How about the papers
and branches in your yard of your
neighbors.

For those of you who do live in
a location where a pony might be
possible to check into it. A puppy
or kitten your child may take to
grazing and there isn't really much
work with these little pets, but a
pony is a real responsibility. If your
dog isn't fed for a day or two it
will hunt for its own food, get in
the garage can or beg from a
neighbor, but a pony must be fed
and watered daily as a pony in a
small enclosure can not steal or
beg for its food. The dog may miss
a meal now and then and the cat
may need water, but I'll bet you
that the pony won't go out.
Children like and need responsibility.

TO MRS. J. L. — You mare can
be pasture-bred during the foal
heat. With a Shetland it is best
to return the mare to the station
when the foal is four days old.
Leave the foal with the mare in the
pasture, the stud will not bother
the foal while the mare is there
and the mare will be much more
receptive with the foal near.

Congratulations to Mike Fallon
with a third and fourth place in the
Gaylord show on July 26th. Mike
rode with his rein hand swollen
twice it's normal size due to wasp
stings. His Galician mare "Bright-

showed the hours Mike has spent

**THE
CHEF**

Most every man who in-
dulges in the art of outdoor
cooking considers himself a
pretty fair chef. And, when
he turns out something spe-
cial, he knows it—and ex-
pects compliments. He's dis-
appointed when they don't
come.

By the same token, the
average housewife considers
herself a good shopper, a
good budget manager and a
gal who knows a bargain

when she sees one. She, too,
expects compliments from
time to time.
Lucky, then, is the home
with two experts—the gal
who knows where and how
to get value for the dollar
spent on the food budget,
the guy who knows how to
give it that special outdoor
treatment. The best bar-
gains, just about everyone
knows, are found in the lo-
cal business community.

Michigan Record
Summer Season

(Continued from Page 1)

to a record year were:
TRAFFIC VOLUME
Traffic flow on Michigan high-
ways was up an estimated 20,000
cars per day over the first six
months and Highway Department
officials indicated that traffic vol-
ume now is expected to close out
the year about 10 percent ahead of
1963.

PARK USE
More than 10 million persons
had visited Michigan's state parks
as of August 9, an increase of 8
percent in campers and 2 percent
in overall park use over 1963. Turn-
aways of potential campers at state
parks was up 28 percent despite
increased camping facilities.

Reports from Regional Associations
East Michigan Tourist Associa-
tion, Bay City, James Hall, sec-
retary-manager: "Demands by tour-
ists and vacationers continue to
show more and more diversity;
they move on when they are not
satisfied. More people 'on the
move' rather than staying in one
spot while on vacation is the trend.
Response to state, regional and
local advertising appears to be a
major reason for increased busi-
ness, particularly noticeably to
chambers of commerce, to resorts
and to commercial tourist attrac-
tions. Most businessmen, retailers
and resort operators alike, say they
are a little ahead of last year at
the same time. Regionally it is a
good season so far, better than
1963, and it should be a record sum-
mer for most areas in Eastern and
Central Michigan thanks to good
advertising and warm weather."

Moose Lodge Activities

At Friday's meeting, we got
quite a lot of business taken care
of. Several applications were ap-
proved and it was decided to try
and enter two bowling teams this
year, due to the interest of the
members.

A very nice movie was shown at
the Club Saturday evening on
Moosehart and Moosehaven, and
again on Sunday afternoon with
some added film on the same sub-
jects. One film shown Sunday was
an older film and another was a
new one: "The Improvements at
both Moosehart and Moosehaven
were noticeable. These improve-
ments are made from your dues
and efforts and your endowment
fund. After seeing these films,
most everyone agrees that the
money members spend for dues are
put to a very good use. Our thanks
to the school for the use of their
projector to show these films.

There will be an officers' meet-
ing this Friday night at 8 p. m.,
also the entertainment committee
will meet.

Recent awards received are:
Elmer Neal, a year's dues award
on our recent membership cam-
paign, and also has signed up his
two-hundredth member; John Gal-
loway, a nice diamond jubilee
watch, for filling his quota during
the recent Moosehart campaign;
Alfred Hanson, the Governors'
merit award, for accomplishments
made during his term as Governor.
This award does not come easily,
it is based on the increase of total
members, members in good stand-
ing and increase of net assets dur-
ing a Governor's term of office.
Minimums are set so high that it
is almost impossible for some Gov-
ernors of the smaller lodges to
receive one. Members have the
largest part of a Governor receiv-
ing this award, but they must be
inspired to do it. Our congratula-
tions to these men on their awards.

This Saturday evening at 8 p. m.
there is an enrollment at the lodge
by the Mt. Pleasant degree team.
We have a list of twenty-one can-
didates to be enrolled.

Saturday, Sept. 5th a big night
is planned at the club. This is
meant to be a small token of thanks
for the support our own members,
as well as members from other
lodges, have given during the sum-
mer months. A lot of surprises and
laughs are in store, plus prizes,
snacks and a good time. Don't
miss it.

CHAMBER OF COMMERCE MINUTES

August 20, 1964

The Chamber Board Meeting
was called to order at 5:10 by Vice
President Carrol Wert.

Present as a guest of the Board
was Mary Welch of the Member-
ship Committee.

The treasurer's report was accept-
ed as read. Melvin Nielson pre-
sented two bills from the Enlisted
Man's Luncheon. The Board or-
dered several outstanding bills
paid.

A letter was received from the
Mackinac Bridge Authority sug-
gesting that we send a group up
to represent Grayling in the walk
across the bridge Labor Day,
September 7. U. Harley Russell was
suggested as a possible represent-
ative leader.

The Chamber Board declared
Robert Hayes' resignation be ac-
cepted as of the date he wished
it to become so.
Three names were given the
Board to be placed on the election
ballot of the Board of Directors—
Billie Forbes, Melvin Nielson and
Sandy Thompson. This ballot is to
be sent to all Chamber members
as soon as possible. The final date
for returning of the ballot is Sep-
tember 5, 1964.

Mary Welch gave a report on
membership revisions for the
coming year. The Membership
Committee has developed a new
concise membership file which will
be placed in the office.

Earl Longworth described two
meetings he has attended recently
in connection with the Chamber.
It was suggested that the Cham-
ber write a letter to the Conserva-
tion Department stating our rea-
sons for keeping the Fish Hatchery
a point of interest for the Gray-
ling area. Don Jansen suggested
that all other organizations in the
community should write the Con-
servation Department concerning
this matter, also.

A letter of appreciation was or-
dered written to Fern Holden for
his efforts toward preserving the
historic area of the Kirtland
Warbler.

The Annual Meeting has been set
for 7:30 September 17th, at Chief
Shoppenagons Hotel—Thore.

Let Them Be Armed...

It won't be long now until the school bells — figuratively, if not always literally — ring again. And millions of youngsters, some eagerly, some with lagging feet, will resume their educations after summers which one hopes were filled with events and adventures that will be long remembered.

In recent years, there has been a vast literature on the subject of American education. It has been compared, favorably and unfavorably, with that of other nations, notably England and Russia. Each of these differing systems, it seems, has its own particular goals and principles, and each has its advantages and disadvantages. But, here at home, there is a strong and growing feeling that American education in all its levels too often leaves out an essential. That essential is the inculcation of a real knowledge of what free and representative government stands for and requires of its citizens and, with that, a realization of what this means in every facet of life — business, the professions, the arts and crafts.

Our young people are growing up into a world torn with bitterly opposed ideologies. In this, the battle for men's minds is all important. Its outcome will determine what the world of tomorrow is to be. Let those young people be armed with the truths they will need.

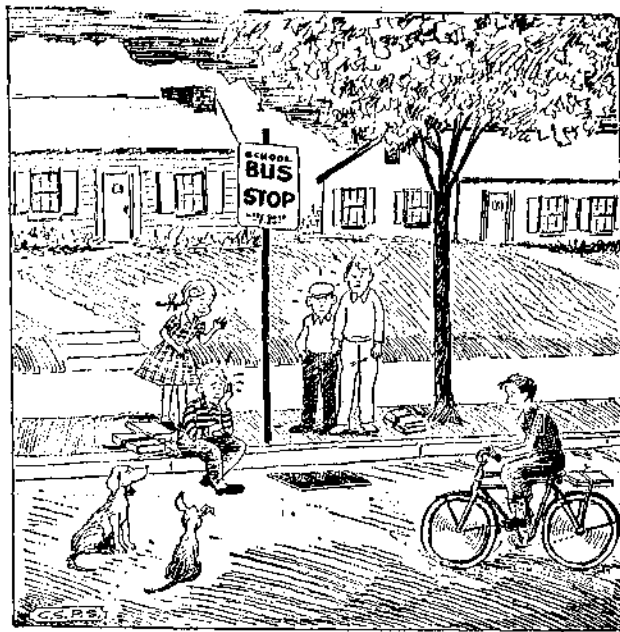

"ONLY 19"

You haven't yet heard of the "Only 19" campaign. But you will.

It's to be conducted in October. And the purpose is to show the American people that food is a bargain. The main point to be emphasized is that the average American family today spends only 19 cents of its after-tax dollar for food, as compared with 26 cents just 15 years ago. This simply means that, while food prices have naturally risen, incomes have risen substantially more. And the percentage of income that we must pay for anything is the best measurement of value received.

All types of food retailers — chains, independents, cooperatives — are invited to participate in telling the industry's impressive story. A game — called "Only 19" — has been created for the campaign, and winners will

BACK TO SCHOOL

be given handsome prizes. All in all, the pending campaign is described as the "greatest united industry effort in history."

Commercial considerations aside, this is a matter of gaining credit where it is due. The whole food industry, in this age of inflation, has done a far better job than we generally realize in making the consumer dollar go as far as possible.

Frank Schmidt, timekeeper of the local WPA department, Wednesday showed us an order to start work on the improvement of the local McNamara Memorial Airport. The improvements will include development of the airport facilities. This will require excavations and grading, construction of concrete runways and turnarounds; installing drain tile and lighting equipment, and incidental work. This airport is publicly owned and is under direction of the Michigan National Guard.

Tuesday, September 2nd, marked another opening day in the history of the Grayling schools. Contrary to national trends, the school enrollment seems to be on the up-grade. Upwards of forty new students have enrolled here for the first time. The swelling classes present a housing situation that requires adjustment, especially in the upper levels. Ordinary classes of twenty five to thirty have grown to forty and fifty students. With the health of the students, always a primary consideration, some of these classes may have to be reduced or divided.

Robert Creque of Flint has been appointed a candidate for entrance to the United States Naval Academy at Annapolis, Md. The son of Edward W. Creque Jr., who is regional distribution manager for Chevrolet division, Creque was graduated from Central High school in

1939. Robert's mother was the former Elvira Rasmussen, and she and her family have come to Grayling frequently and recently built a home on Lake Margrethe where much of their leisure time is spent.

Miss Olga Nielson spent Sunday at Mackinac Island.

Mrs. Everett Corwin returned last week from a three weeks' visit in Blissfield.

Clarence Carpenter of Vanderbilt spent Wednesday of last week visiting Mr. and Mrs. Frank Ingerson.

Misses Eileen Swarthout and Martha Kolka have returned home from a two weeks' visit with relatives in Jackson.

Mr. and Mrs. Maurice White and daughter Sandra of Jackson visited Mrs. White's parents, Mr. and Mrs. George Swarthout over the weekend.

Mr. and Mrs. Vern Nuremburg and son Richard of Port Huron spent the holidays visiting the latter's father, Rudolph Sorenson, and aunt, Mrs. Marie Jensen.

John Michelson left Sunday for Carroll College, Waukesha, Wis., where he is a student, after spending the summer at the family cottage at Lake Margrethe.

Clayton Comer of Detroit was in Grayling over the weekend looking up some of his old school day friends. He has been gone from Grayling for some 30 years.

Mrs. Charles Stalnaker and daughter Jean of Roscommon were visitors at the William Fowler home in South Branch Sunday. Mrs. Stalnaker and Miss Naomi Fowler are old schoolmates.

The wild animal was again seen last Saturday night just at dusk. Bernard Fowler hit it in the shoulder hard enough to knock it down but it managed to get away in the darkness. Bernard followed it for a mile and a half by its screams and drops of blood but finally had to give up the chase.

Frank Harris of Charlevoix came Wednesday and is the new barber at the Ernie Olson barber shop.

Mrs. Carl Michelson of Mason spent the holidays at her cottage at Lake Margrethe.

With the son Roger Kenneth, born to Mr. and Mrs. Harold Hatfield on Saturday, August 30th, there are eight sons now in the Hatfield family. That doesn't mean much help for mother with the dishes, unless the boys are willing to learn to wash them.

Edward Martin was home from South Bend, Ind., for over the weekend and brought as his guests Francis Peckinpaugh and Richard Marquard. This was the first time the latter two boys had visited northern Michigan.

Mr. and Mrs. Robert Sorenson and daughters, Nancy and Judy, spent the weekend in Detroit.

Mrs. Wm. Weiss, daughter Evelyn, Betty Smith and Patrick Monaghan spent Thursday in Cadillac.

Mr. and Mrs. Harold Cliff of Chicago visited friends in Grayling over the weekend. Mr. Cliff represents the National Log Construction Company in the Chicago area.

Mrs. Lipman Lansberg of Inkster and nephew, Mickey Sampsel of Milan accompanied the former's mother, Mrs. David Montour and daughter Joan home Sunday and are spending a few days.

Mrs. Augusta Walt of Detroit spent the weekend at her cottage at Lake Margrethe where her sister, Mrs. Wilfred Cohen has been vacationing. Mr. Cohen was also here for the weekend.

Mr. and Mrs. Jens Ziebell had as

their guests last week Mr. and Mrs. Jack Lunsford and family of South Bend, Ind. The two ladies are sisters. Thursday the party enjoyed a trip to Mackinaw and St. Ignace.

Mr. and Mrs. Jess Sales and daughter Christine returned Saturday from a vacation trip to Copper Harbor in the Keweenaw Peninsula and other interesting northern points. Over the weekend they had as their guests Mrs. Siegrid Jorgenson of Detroit.

The Art Walters of Chesaning have closed their cabin on Lake Shupac but will return later in the month.

The Bill Spauldings and sons Pierson and Coburn have returned to their home in Midland after spending a week at their cabin on the North Branch.

Moose Lodge Activities

To the two hundred and twenty-five members of the Moose Lodge, and any other non-members who may follow this column, the omission from last week's paper, was beyond the control of this writer. The column was written, and sent to the Avalanche office, at the usual time, as it is every week.

Another large class was enrolled into the lodge Saturday evening, by the M. Pleasant degree team. Membership is really gaining momentum, and we should go way over the quota set by Moosehart, if we don't fill two quotas.

We also saw a very large crowd at the Club Saturday night. One of the largest crowds we've had in a long time. The club was packed during the past week.

During the past week, we had members in from New Hampshire, Ohio, Indiana, plus many lodges from Michigan.

Due to the heavy schedule, there will be no enrollment during the month of September. The next one will be Sunday, Oct. 4th at 2:00 p. m. No degree team has been invited as yet, but possibly Pontiac, who has a real sharp team, may be here. The enrollment will be in honor of Homer King.

This Saturday evening, we are planning a little party at the club, with eats, surprises, fun and prizes. However due to circumstances beyond our control, a couple of things planned will be omitted until Oct. 31st when we are planning another big night. We have some very special entertainment planned for October.

Painting the club room walls was started this past week by Milt Carrier, and the scenery painting on the back wall of the band stand has been started by Ralph Collins. We also have bar stools at the bar now.

Our thanks for the largest single contribution to the building fund, to date, goes to a local business man member whose initials are L. M. It pushed the total contributions over the five hundred dollar mark.

Our next meeting is this Friday at 8 p. m. Sept. 13th is the district meeting in Traverse City. The Traverse City lodge wants to become active again, so let's give them a large turn out from Grayling, and give them a helping hand.

The U. P. is having their convention Sept. 18th, 19th, 20th. The degree team goes to Holly September 20th.

Twin Bridges

By Mrs. Esther Herrick

The Jack Spears of Saginaw spent the weekend at their cabin and had as their guests Mrs. Spears' mother, Mrs. Maud Jordan and Mrs. Spears' sister, Mrs. Katherine Bollenman. Bud Bollenman's mother spent the weekend with the Bud Bollenmans. Mrs. Jordan and daughter Mrs. Bollenman will return to their home in Blue Island, Ill., for the winter.

Mr. and Mrs. Howard McCann and three sons of Kalamazoo and Mr. and Mrs. Howard McCann of Detroit spent the weekend at the McCann cottage.

Mr. Don Poorman and two daughters spent the weekend at their parents and grandparents, the Wm. Poormans, the granddaughters remaining for the week with grandma and grandpa Poorman.

Mr. and Mrs. Ed. Young of Leapeer spent the weekend at their cabin and picking blackberries with the Fred Herricks.

The Ken Cavanaugh of Birmingham spent a few days at their cabin on Shupac Lake.

Mr. and Mrs. Otto Kuisel of near McManis Bridge called on their friends, the Fred Herricks Sunday.

Mr. and Mrs. Mickey McCann of Grand Rapids visited at the Ken Cavanaugh's.

CARD OF THANKS

I wish to express my thanks to the Doctors, Nurses and Mercy Hospital for their wonderful care, Father Salowski and Father Tim for their kindness. Also to everyone who sent gifts, flowers and cards during my illness.

Shortage of Coins in Crawford Co.

(Special to the Avalanche)
New York — Where are the 1,530,000 pennies, nickels, dimes and other coins that should be in general circulation in Crawford County?
Large quantities of them have disappeared from sight. According to the Treasury Department, they have been swallowed up by coin collectors, coin speculators and others.

Because of the shortage, banks are getting only a fraction of their normal supply, vending machines are less active, toll booths are slowed down and bus drivers have to scurry from their busses to find change for the fare.

How much of a supply of coins should there be in Crawford County?
On a quota basis, from the standpoint of population, there should be approximately 300 coins

Hunting for Big-Time Sport

Thrills a minute accompanied to the stirring sounds of hounds hot on the trail of northern Michigan's "King of the Forest." That's the taste of excitement which hunters will savor with the start of the Sept. 1-15 bear season in the Upper Peninsula. For most of these rugged sportsmen, the things that really count in this sport are the heart-pounding action of the chase, the strategy-making to track one of these burly animals, and the swift-footed teamwork of men and their dogs. And don't sell short the kicks they get from recounting their day's doings around the campfire at night. These are the moments to remember which will bring them back for another series of cross-country pursuits during the Oct. 1 - Nov. 5 bear season above the Straits and the Oct. 3-5 hunt in the northern Lower Peninsula. —Mich. Dept. of Conservation

Attend The Church Of Your Choice

There isn't much music coming out of that horn. But one thing's certain; this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the Church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PUZZLE NO. 827

Hunting for Big-Time Sport

Thrills a minute accompanied to the stirring sounds of hounds hot on the trail of northern Michigan's "King of the Forest." That's the taste of excitement which hunters will savor with the start of the Sept. 1-15 bear season in the Upper Peninsula. For most of these rugged sportsmen, the things that really count in this sport are the heart-pounding action of the chase, the strategy making to tree one of these burly animals, and the swift-footed teamwork of men and their dogs. And don't sell short the kicks they get from recounting their day's doings around the campfire at night. These are the moments to remember which will bring them back for another series of cross-country pursuits during the Oct. 1 - Nov. 5 bear season above the Straits and the Oct. 2-5 hunt in the northern Lower Peninsula. —Mich. Dept. of Conservation

Road Commissioners Minutes

August 14, 1964
A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. The meeting was called to order by Chairman Johnson. Members present: Commissioners Harold T. Jansen, Elmer A. Garsent and Howard H. Mead, and Eng-Supt. Bruce Carlson. Absent: none.

The minutes of the last regular meeting were read. A motion was made by Comm. Mead, seconded by Comm. Garsent, that the minutes be accepted as read. All voted in favor, motion carried.

The Top O' Michigan Rural Electric Company asked permission to erect a new distribution line along the south side of Monroe Avenue, 22 feet from the centerline, in the subdivision of Portage Heights, T28N, R4W, in Crawford County. A motion was made by Comm. Garsent, seconded by Comm. Mead, that permission be granted. All voted in favor, motion carried.

The Consumers Power Company asked permission to erect a wood pole distribution line on Dawn Drive, in Eastbranch Estates, Section 32, T27N, R3W, Grayling Township, 22 ft. north of centerline of road commencing at Roberts Road and extending east 1500 feet to Easter Drive. A motion was made by Comm. Mead, seconded by Comm. Garsent, that the Consumers Power Company be granted such permission. All voted in favor, motion carried.

"Moon River Heights" Subdivision, a part of the SE 1/4 of SE 1/4, Section 31, T25N, R2W, South Branch Township, was presented for approval. A motion was made by Comm. Mead, that the plat of "Moon River Heights" Subdivision be approved and all members sign same. All voted in favor, motion carried.

The Commissioners and Eng-Supt. Carlson inspected projects and roads in the several townships. After returning to their office a motion was made and seconded to adjourn. All voted in favor, motion carried, meeting adjourned.

Attend The Church Of Your Choice

There isn't much music coming out of that horn. But one thing's certain; this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

One of Michigan's Most Pressing Problems Now - Mental Health

COSTLY PROBLEM
One of Michigan's most pressing problems, the mental health picture, poses some statistics well worth pondering.

Approximately one-sixth of Michigan's general fund is spent for direct care and treatment of mentally ill and retarded patients. In the current fiscal year this will amount to more than \$100 million. Additional funds will be spent this year for new and expanded mental health facilities, but experts in the field say much more could and should be done.

Indirect costs of mental illness are also great when computed in terms of work absenteeism, welfare costs due to homes broken by this problem, and legal costs arising from behavioral irregularities. Perhaps even more staggering are the personal figures involved in records of mental and emotional illness.

The Michigan Society for Mental Health estimates 180,000 school age children are in need of psychological attention, while only about 30,000 are actually receiving such help.

There are about 300,000 persons all told in Michigan with some form of mental illness, but only 37,000 of these are in state institutions, according to Society officials. Some relief for the imbalance between need and existing care is being provided through the relatively new community mental health facilities, but the Society says there is considerable room for improvement.

Recent figures indicated slightly over 17,000 persons in the state are being served in community psychiatric out-patient clinics. Each is hard pressed to meet the demands for service at this time.

The chief sources of relief for this problem lie, according to Society spokesmen, in future community action and greatly expanded and improved programs for children needing institutional care.

DYNAMIC STATE
Michigan's contributions to world progress, primarily through industry and education, will be in the spotlight next May when the 12th annual Michigan Week is observed.

More than one billion dollars in industrial and agricultural products are being exported from Michigan annually, one of the factors considered in deciding on the theme, "Michigan: Dynamic in World Progress" for the May 16-22 event.

Woodward C. Smith, vice president of Central Michigan University who has served in various capacities for several previous Michigan Weeks, heads the 1965 promotion.

Continuing the tradition, the Governor formally announced the theme for 1965. Smith and his major planning committee were busy with Michigan Week activity for some time before this, however.

Research by the Greater Michigan Foundation, the sponsoring agency, shows about 1,000 Michigan industries and businesses are engaged in foreign trade and investments.

This volume of activity means that eight out of 10 manufacturing workers in the state are employed by companies involved in foreign trade.

Another major contribution to world progress is being made by Michigan's colleges and universities, which are involved in assisting educational institutions in many nations and in training students

from all over the world on state campuses.

MEASURES INTEREST

Some indication of the continuing growth of tourist interest in Michigan is evidenced in the requests for maps and information reaching state officials.

One aspect of Michigan's varied information services which is a good measure of the total picture is the at-the-scene highway tourist centers.

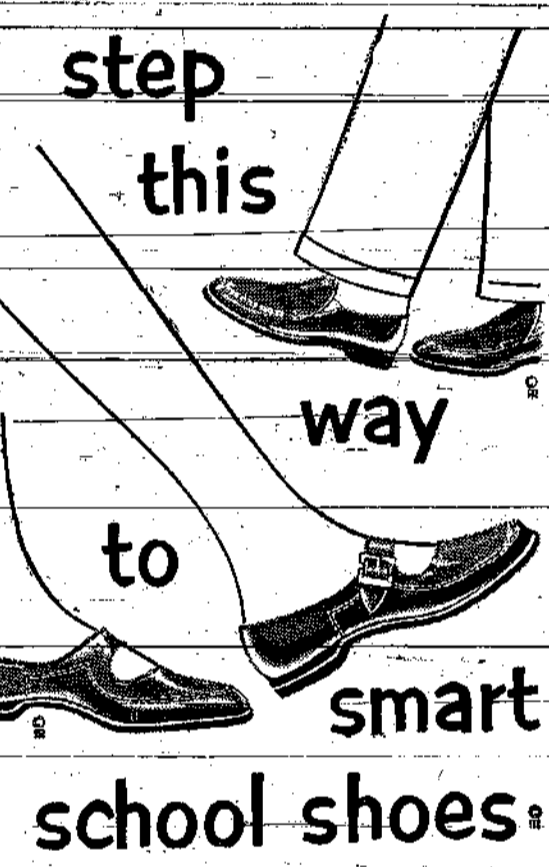

Highway officials note that the number of tourists stopping at these information centers in the month of July alone was up by nearly 10,000 over last year.

Strategically located at Ironwood, Menominee, Sault Ste. Marie, Port Huron, Monroe, New Buffalo and Mackinaw City, the roadside centers are easily accessible to most travelers either at their point of entry or the very popular stopping places.

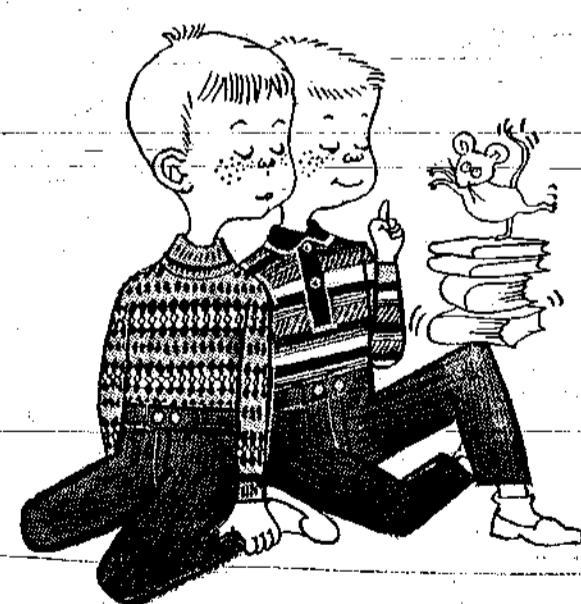

The Mackinaw City station, for example, gave good indication of the popularity of that region during July. Of 89,741 requests for information at the seven stations in July, some 40,753 were made to the Mackinaw City station.

Information activity during the first seven months this year has led highway officials to predict they will serve about 300,000 visitors in 1964 as compared to 280,000 last year.

CEMENT!

Word was received in Grayling last week of the passing and services on Wednesday for Wilfred Clark, former resident of Grayling. Mr. Clark was a resident of Waterford where his death occurred and the services were held. He was the oldest son of the late Jack Clark, who was telephone line man in the Grayling area for many years. Wilfred was also a phone company employee of General Telephone.

Mr. and Mrs. Robert Brady and children returned to their home in Detroit August 22nd after spending two weeks at the Brady cabin at Eagle Point, also visiting her parents, the George Skinner and his mother, Mrs. John Brady. On Saturday night, the 22nd, the Donald Holcomb of Muskegon and his three children arrived at the Skinner home to spend last week visiting there and with the Charles Holcomb. Mr. and Mrs. Howard Benedict and two children of Pontiac also spent a recent weekend at the Skinner home. She is a daughter of George Skinner and was en route to Marquette to visit their daughter Mickey, who was a counselor at Camp Independence.

Mrs. Franklin Hills and daughter Cathy left August 27 to spend a month in England, Wales and Scotland, planning to go then to the Netherlands, Germany, Switzerland, Italy and Greece, ending up their tour in Paris. They expect to return home the day before Thanksgiving.

Mr. and Mrs. Walter Truetner and granddaughter April Patchak spent a week at Blaney Park and were joined for the weekend by April's mother, Mrs. Jane Ann Patchak. April took second place in the girls' swimming race.

Miss Ellen Loveland of Ann Arbor visited the Bob Strongs Tuesday last week while in the area on vacation.

Mr. and Mrs. Milton Poland of Royal Oak made a trip down river last week, leaving their canoe at Stephen-Brider then parking their car at Wakeley Bridge and biking back to Stephens. With dog and bikes aboard they canoed down the Ausable. They are friends of Mr. and Mrs. Carl E. Johnson and son Bob. Bob is now living in Chicago, having moved there August 21st from Huntington Woods.

Mr. and Mrs. Robert Bovee and daughters Billie and Dena visited his brother and family the Rev. and Mrs. Keith Bovee and Sally in Lowell Tuesday and Wednesday of last week, taking Miss Sandra Bovee home. She had been Dena's guest since the previous Friday.

Leon D'Amour has transferred his employment from the Grayling Bottling Co. plant to Hoel's Decorating shop.

Mrs. Michael Steger and children Linda, Shannon, Nancy, Fred and Julia came Saturday from Colorado Springs, to make her home in Grayling while her husband, Major Steger, is in Vietnam with the air force. The Steger family will be living in the Krumrei house on Peninsula.

Mr. and Mrs. Fred Bear had as

their houseguest for a couple of days last week David Rosenberg, of Dayton, Ohio.

Mr. Joseph Stripe and daughter Rhea drove to Tri-City Airport Wednesday of last week to meet Mrs. Stripe on her return trip from attending a six-week seminar at the University of Costa Rica, and

eight-day tour of Central America. The group was caught in the Pan Am strike in Guatemala for 18 hours, coming to the States on a different line, and finally just making it out of Florida on the home flight a few hours before hurricane Cleo shut down all air traffic.

Hospitality Plus
A cooked ham slice makes a nice dinner for unexpected guests. Blend together 1/4 cup brown sugar, 1 teaspoon dry mustard, 1/4 teaspoon allspice and top the ham with this. Surround with pineapple spears and bake.

Season canned peaches with dill or thyme and serve around your chicken broiled on the rotisserie. Pretty is as pretty does.

Use refrigerated cookies that can be sliced and baked—freshly baked and served with lemonade or fruit punch they're nice refreshments for friends just dropping in.

Marinade dates, orange and grapefruit sections in French dressing with banana slices and you have a delightful salad treat.

Assorted melon balls use the last of the fruit and look pretty enough for a party when molded in fruit-flavored gelatin.

Quick dessert uses canned mandarin orange sections with pineapple chunks, cherries (maraschino), and coconut. It's ambrosia.

Helen's Favorite:
Honey-Rice Pudding (Serves 6)
2 cups cooked rice
2 eggs, beaten light
1/4 to 1/2 cup honey
1/2 cup dates or raisins
1 cup rich milk
Mix beaten eggs and milk. Mix in honey. Make alternate layers of rice and dates in a lightly buttered casserole. Pour egg-milk mixture over this and bake in a moderate (350° F.) oven 45 minutes.

Go Steady With Boy Who Is In The Service?

By C. D. Smith

THE WEEK'S LETTER: "My problem is that I like a boy in the Air Force who isn't stationed where I live. I really don't want to go out on him, but when I see all the other kids going out I think I should go out. I go out with someone else and I'm sorry. I told him I wanted to break up."

steadily with a boy who is several hundred miles away. You should talk things over with this boy and come to an understanding. You will both be better off if you agree to be just good friends until his tour of duty is concluded. Then you will each be free to have other friends without suffering any pangs of conscience.

If you can come to a proper understanding, things may work out better in the long run. If you agree to continue being "steady"—and one of you does step out with someone else, you may break up permanently.

If you have a proper understanding and keep in touch with one another through frequent letters, your relationship will be continually strengthened.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND COUNSEL, P.O. BOX 100, FORT MONROE, VA. 22034.

CARD OF THANKS

We deeply appreciate the care given our mother, Ethel Elliott in her final illness, and the kindness and sympathy of friends and neighbors, and wish to express our thanks to everyone.

The Harold Barkers

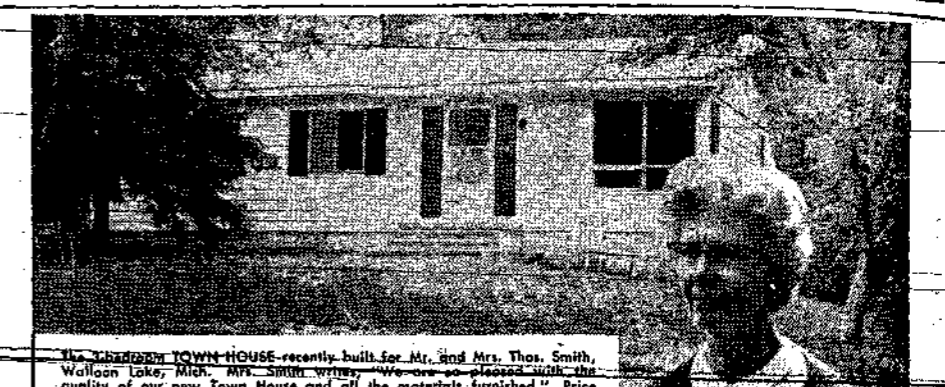

CARD OF THANKS

We want to thank the Sisters, doctors, and staff at Mercy Hospital for their care, and friends and neighbors for their exceeding kindness during the illness and death of our sister.
